My Priorities

Safer Neighbourhoods

- Improve street lighting and traffic safety.
- Regular community safety meetings with police and community organizations.
- Support youth and community programs.

Better Roads & Infrastructure

- Move the Chief Peguis Trail expansion forward.
- Repair roads, sidewalks and back lanes.
- Improve snow clearing, maintain parks and community spaces.

Open & Accountable Leadership

- Be accessible year-round.
- Hold regular community meetings.
- Explain decisions and keep residents informed.

Putting Residents First

- I will represent every resident, work with the community to solve problems and focus on practical solutions instead of politics. Every neighbourhood deserves its fair share, and every tax dollar should deliver real results.
